

About Us:

Oregon Toxics Alliance

***Our Mission:** The Oregon Toxics Alliance works for all Oregonians to expose root causes of toxic pollution and help communities find solutions that protect human and environmental health.*

Oregon Toxics Alliance believes that communities should have the right to clean air, land and water. Our organization was founded around the underlying principle that communities have a right to participate with informed consent about the decisions that affect their own health.

By involving affected residents, OTA creates larger public support for fundamental changes in chemical use policy.

We Can Help:

- Provide information on chemicals
- Work to reducing Pesticides
- Help develop public testimony
- Organize public meetings and forums
- Build coalitions
- Educational Lectures and panels
- Volunteer opportunities

Centro LatinoAmericano

***Our Mission:** Centro LatinoAmericano is a bilingual, multicultural agency dedicated to the empowerment of the Latino community of Lane County by offering social services, access to community resources, and advocating for fair treatment.*

Centro LatinoAmericano's vision is one in which the Latino community participates fully in the social, economic, and civic life of our country. Through opportunity and hard work, immigrants realize their own dreams, making it possible to give back to the larger community that they now call home.

We Can Help:

- Provide case management and crisis intervention for Latino families
- Translate documents and provide interpretation
- Provide referrals and advocacy in employment, education, health, housing, and domestic violence issues
- Offer outpatient treatment services for individuals impacted by substance abuse
- Volunteer opportunities
